

Juices, purées

The spectrum of fruit juice concentrates we offer is extensive. State-of-the-art technologies help preserve valuable ingredients, taste and colour of the fruits or berries.

CONCENTRATE During the production of our concentrates, part of the water is extracted from the juice of ripe fruits. This means that our concentrates taste fruity, fresh and natural.

Product Information

Property: *Aseptic / frozen*
Packing: *Loose / barrels / cubitainer*
Usage: *Beverage- / dairy- / confectionery industry*

NFC NFC or Not-from-concentrate juices have a particularly authentic flavour. They are manufactured using particularly gentle processes and are not subject to concentration during their production.

Product Information

Property: *Aseptic / frozen*
Packing: *Loose / barrels / cubitainer*
Usage: *Beverage industry*

PUREES Fruit that has reached optimum ripeness and is then freshly pureed has an incredibly pure, natural flavour. The fruits and berries used in our wide range of purées are processed with the utmost care. With our high-quality purées, the intensive flavour of fresh, fully ripe fruits and berries is available all year round.
